The 13th Solar Summit is designed to increase collaborative opportunities for our sponsors and attendees. Time will be set aside for discussions with subject matter experts as well as for facilitated conversations across sectors.

The Afternoon Session will include sponsored conversation tables with selected RSVP seating. Is there someone you would like to sit down and converse with? We will do the inviting for you!

Booths at the Summit this year will be reserved for our top tier sponsors who will provide ask the expert assistance. During high profile time slots on the agenda, sponsors can provide subject matter experts who can answer questions, showcase cutting edge projects or share new technology.

Beyond the Summit In an effort to provide a broader impact beyond the summit, all sponsors can submit case studies or highlighted projects that will be disseminated to all the attendees after the Summit, and will be posted on the NY Solar Map and Portal.

Who Do You Want Us To Invite To Sit at Your Conversation Table?

Sustainable CUNY will send a personalized invitation to your suggested guests to sit at your sponsored table for conversation in the afternoon. While we can't guarantee they will accept, we can offer them a 25% discount off our already nominal summit registration fee of \$50.00. (Keep in mind anyone with a ".gov" email is admitted at no charge, but we can invite them to sit at your table!)
