We connect the dots...

Youth Employment

NYC & NYCHA  
Sustainability

# Corps Member Journey

**GREEN  
CITY  
FORCE**

Public Housing in NYC:  
a city within the city

## RECRUITMENT & ORIENTATION

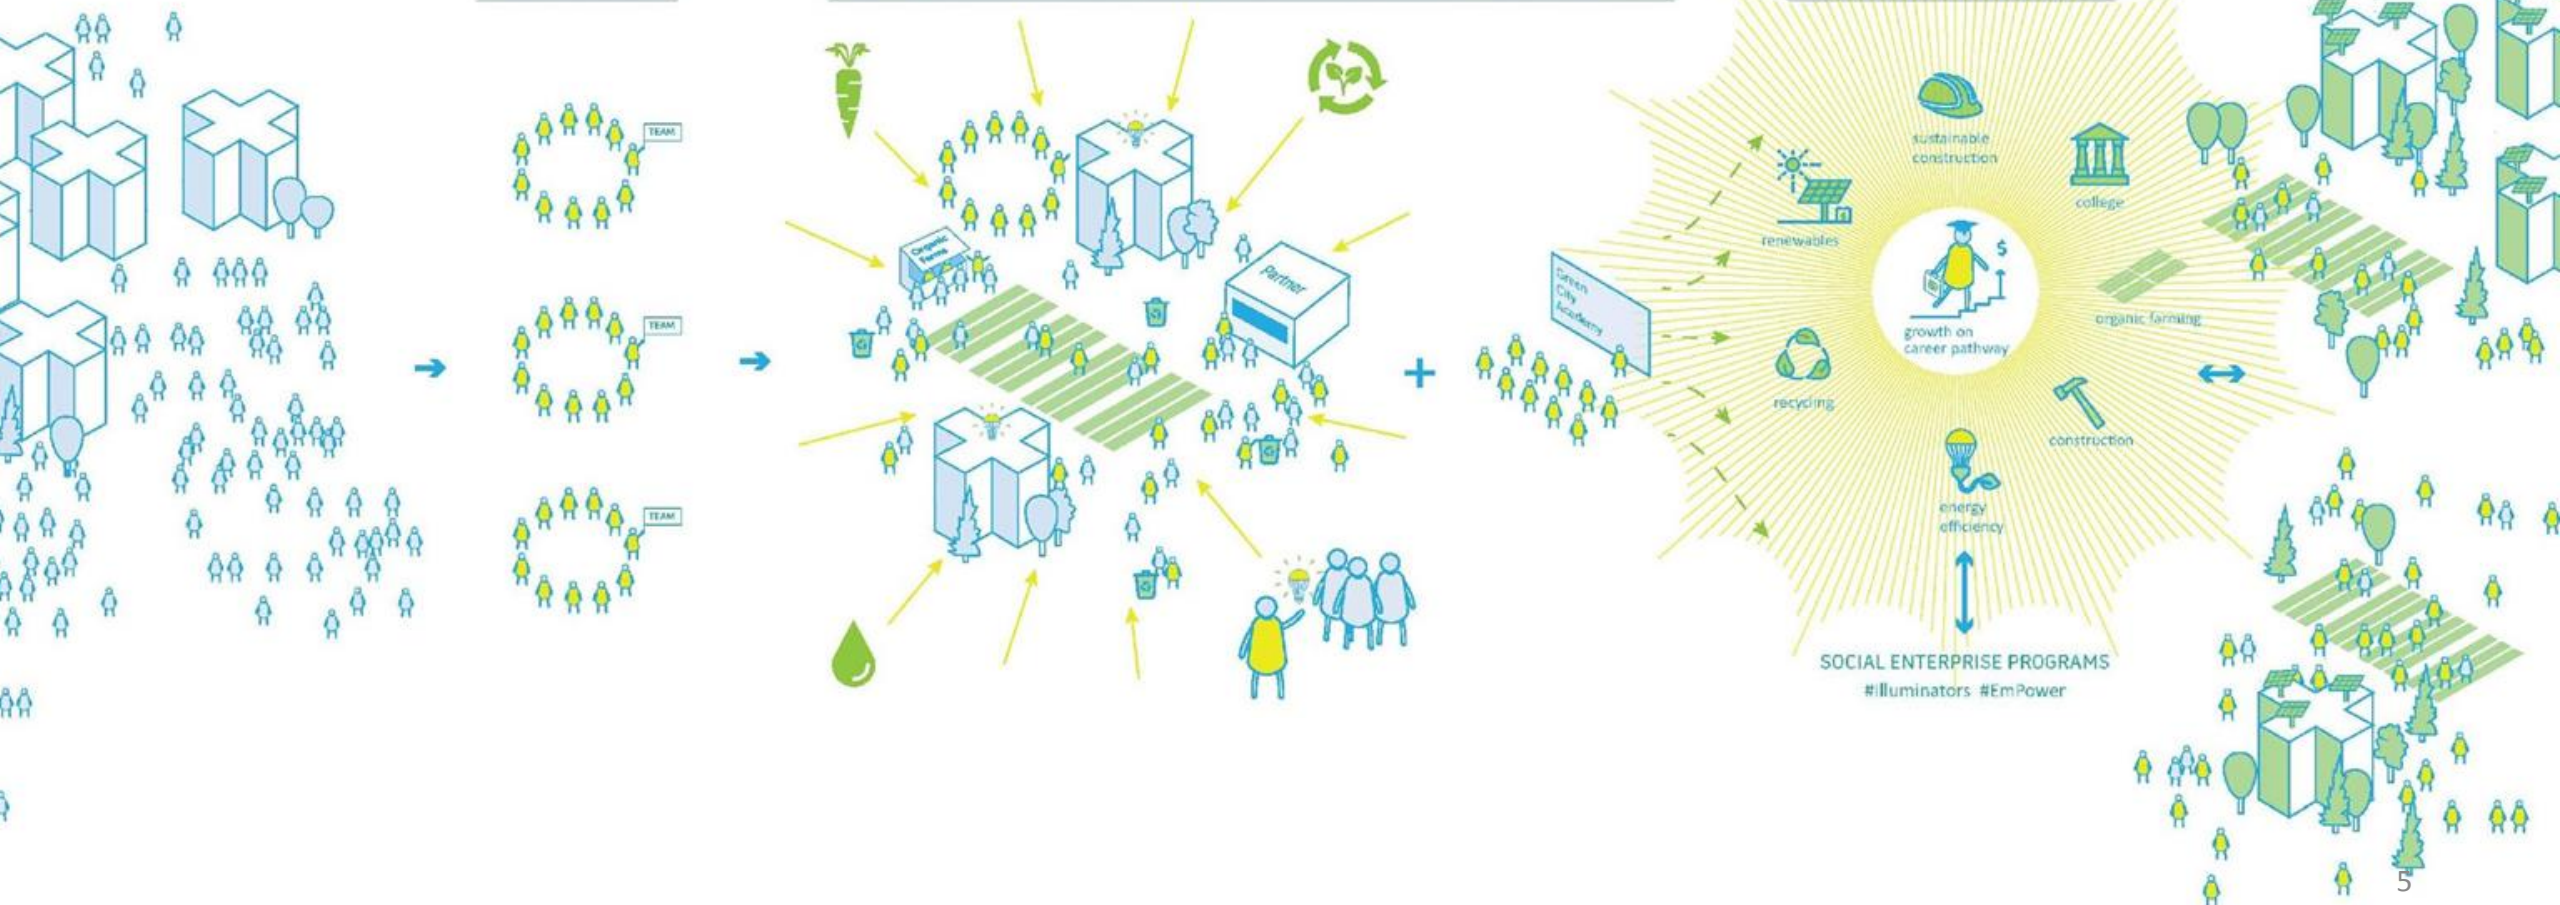

## SERVICE & TRAINING

Greening NYCHA communities through visible, measurable, impactful, and skill-building paid service initiatives.

## ALUMNIHOOD

life-long commitment to alumni career development

Alumni power green  
and equitable cities

# GCF Service Corps

**GREEN  
CITY  
FORCE**

## Flagship Service Initiatives

**Farms at NYCHA**

**Love Where You Live**

# GCF Alumni Network

GREEN  
CITY  
FORCE

## Continued career counseling, trainings, and support

Salonia Thompson, Cohort 13 Alum

Domingo Morales, Cohort 10 Alum

# GCF Employers

**GREEN  
CITY  
FORCE**

## A diverse talent pipeline

**Multiple Hires**

**Individual Placements**

# GCF Social Enterprise

**GREEN  
CITY  
FORCE**

## Employing GCF Alumni

**Advanced skill-building**

**Boosting NYCHA's efficiency**

# Solar!

GREEN  
CITY  
FORCE

Solar PV installer is listed as the *fastest* growing occupation for the period 2016-2026 by the Bureau of Labor Statistics.

Young people from communities that endure economic, health, and environmental burdens can access, advance, and succeed in this sector!
